Analyses: [U.S. Elections](#)

*In the 1990s, former Secret Service agent Gary J. Byrne served in the White House, posted outside Bill Clinton's Oval Office.*

*His new book scheduled for release in late June is titled "[Crisis of Character: A White House Secret Service Officer Discloses His Firsthand Experience with Hillary, Bill, and How They Operate.](#)"*

*Details of the book are largely under wraps. A description posted on Amazon states the following:*

*"Posted directly outside President Clinton's Oval Office, Former Secret Service uniformed officer Gary Byrne reveals what he observed of Hillary Clinton's character and the culture inside the White House while protecting the First Family."*

*"Now that a second Clinton administration threatens - their scheme from the very beginning - Byrne exposes what he saw of the real Hillary Clinton."*

*"While serving as a Secret Service Officer, (he) protected President Bill Clinton and the First Family in the White House and outside the Oval Office."*

*"There, he saw the political and personal machinations of Bill and Hillary Clinton and those who were fiercely loyal to them. In CRISIS OF CHARACTER, (he) provides a*

firsthand account of the scandals – known and unknown – and daily trials ranging from the minor to national in scale.”

“Having witnessed the personal and political dysfunction of the Clinton White House – so consumed by scandal and destroying their enemies, real and imagined – Byrne came to understand that, to the Clintons, governing was an afterthought.”

“He now tells this story – before voters go to the polls – in the hopes that Clinton supporters will understand the real Hillary Clinton.”

According to Byrne, “she simply lacks the integrity and temperament to serve” as president. She and husband Bill “must never again be allowed to put your children at risk. What I saw in the 1990s sickened me.”

Her “volcanic, impulsive” leadership style is “disdainful of the rules set for everyone else...”

Investigative journalist Ron Kessler’s book titled “[The First Family Detail: Secret Service Agents Reveal the Hidden Lives of the Presidents](#)” reported agents assigned to Hillary after husband Bill left office saying protecting her was a detested assignment.

They called her marriage “fake,” one of convenience, solely for political reasons, to advance her outsized ambitions.

She’s mean and nasty, “really rude to almost everybody,” treating people “like (they’re) beneath her.”

According to Kessler, she once responded to a Secret Service agent’s “good morning, ma’am” greeting by saying “(f)..k off.”

In public, she smiles and acts graciously. “As soon as the cameras are gone, her angry personality, nastiness and imperiousness become evident.”

She “make(s) Richard Nixon look like Mahatma Gandhi.” She’s arrogant, never thanks agents, treats them like “hired help.”

Byrne said “(t)he Clintons treat running the free world like a damn part-time job...Maybe I haven’t seen it all, but I’ve seen enough” to know the crucial urgency of preventing a Hillary Clinton presidency.
