She is back! The daughter of Muammar Gaddafi will lead the resistance against NATO and the other Libyan terrorists. Ayesha stated that she is now the leader of the resistance and she is about to create a new secret government.

Ayesha Gaddafi [pictured left] becomes the new leader of the resistance at a crucial moment for the country – on the eve of the new NATO intervention. As a Lieutenant General of the Libyan army she swore loyalty to order her legendary father and urged Libyans to wake up in order to win, to be successful and to “return the Jamahiriya government”.

Ayesha Gaddafi guarantees that in the next few months she will form a “secret government” of “famous Libyans,” who are loyal to Gaddafi and that will act as a mediator in Libya and abroad. Analyzing the current situation she criticized the former army because of “a crazy mix of anarchists” who decided to wage war on a principle “I fight for whoever pays me more.”

Gaddafi’s daughter accused them of using a green flag of Jamahiriya and recruiting their supporters, as well as strengthening tribal governments, under whose shadow they joined the alliance with the Tuareg and Toubou Islamists. She accused the Tuareg and Toubou tribes of separatism and conspiracy with the government in Tobruk.

Ayesha Gaddafi called on the soldiers of the Libyan armed forces to give her the oath as a Supreme Commander, in order to restore the state.

“My name gives me a duty and a right to be at the forefront of this battle.”, said a brave woman who during the war lost her husband and two children. Today she is ready to become a “symbol of the nation” and alongside a portrait of Gaddafi to become a “symbol of the mission to restore national unity.” Speaking of the Libyans as for her children, she compared herself to a mother who will fight for their children.

She also talked about al-Qaeda terrorists, who overthrew her father Muammar Gaddafi in 2011. Ayesha Gaddafi prophetically said that their destruction and death have a breath of madness and that it will fall apart and disappear. She wrote that “We are ready for a deadly battle” in which the terrorists will face one nation. In conclusion, she promised to sign a new agreement.

According to rumors, the printed version of this call is secretly being distributed and shared

in the main cities of Libya - Tripoli and Tobruk. And according to given information we can also expect her speech on local television soon.
