[Corrupt Clinton Crime Cartel Along with Hillary’s Presidential Hopes Are Crumbling...](#)

By [Joachim Hagopian](#), November 03 2016

Nearly four months after James Comey announced to the world back in early July that the FBI investigation was closed and that he would not seek an indictment against Hillary Clinton for violating any federal laws, now suddenly a tectonic shift has taken place and for the Clinton crime family, the dirt may finally be hitting the fan. As a result, [humanity might be spared](#) from a World War III project which was part of her election campaign, that would virtually be a done deal should Hillary become president.

migration; hatred of Arabs and Muslims. Neither arm criticizes a huge military budget or the vast sums spent on the various intelligence services, whose main job seems to be spying on American citizens.

[The Lethal Lie of Hillary Clinton: “Saving Lives” with “No-Fly Zone” in Syria. “Russian Roulette with the Planet”](#)

By [Luciana Bohne](#), November 04 2016

Why are they lying? Because the people don't want war: they want jobs and bread. They will not agree to murder people who have done them no harm. They will consent to war if told they are under attack or that the war will save other people from genocide, rape, or other gross violations of human rights. The people are not interested in world domination, but the elite are. The people are, therefore, the enemy within. They must be persuaded to support the elite's plan by perverting their decency. They must be made to cringe in fear. They must be made to believe that war—any war—will be defensive. This is the tactic of terrorists: terrorizing the population to obtain political ends.

[Al Qaeda will Vote for Hillary on November 8](#)

By [Prof Michel Chossudovsky](#), November 04 2016

Al Qaeda rebels, ISIS-Daesh, are unbending supporters of Hillary, because when she becomes President of the United States, “she'll continue to support us, give us money and weapons, ... ” “We're voting for you, Hillary, on November 8. We'll cast our absentee ballots from more than twenty countries where the CIA is helping us. We're not terrorists, we're the “Moderate Good Guys”. We're supported by Hillary Clinton, and Hillary is not a terrorist. If she were a terrorist, we wouldn't vote for her... ”

In an interview given to the Serbian newspaper Politika, President al-Assad said that Russia is very serious and very determined to continue fighting the terrorists, while the Americans base their politics on a different value as they use the terrorists as a card to play the political game to serve their own interests at the expense of the interests of other countries in the world.

[Wall Street and the Pentagon: Pre-Mature Political and Military Ejaculations](#)

By [Prof. James Petras](#), November 03 2016

Brazil and Argentina, the most powerful and richest countries in South America and the Philippines, Washington's most strategic military platform in Southeast Asia, were the objects of intense US political operations in the run-up to 2016. In each instance, Wall Street and the Pentagon secured smashing successes leading to premature ejaculations over the 'new golden era' of financial pillage and unfettered military adventures. Unfortunately, the early ecstasy has turned to agony: Wall Street made easy entries and even faster departures once the 'honeymoon' gave way to reality.
