“malè ou swete bèlmè, se manman ou li frape” – the evil you wish upon your mother-in-law strikes your mother, Haitian wisdom \*

*The other day, I saw a [video excerpt](#) of an October 2012 speech in which Bill Clinton was telling an audience in New-York how his wife, Hillary, possesses the extraordinary psychic ability to speak regularly with the dead, in particular, with the spirit of former First Lady Eleanor Roosevelt.\**

Today, some U.S. citizens who are still stunned by the election of Donald Trump may be seeking extra insights to help answer many troubling questions. However, I doubt the dead are in any way equipped to help them understand what is happening in the so-called “*land of the free and home of the brave*”. If Harvard and Yale graduates could not see the Trump train wreck coming, neither could the spirit of the dead help the Democratic Party and Clinton avoid this humiliating defeat they have just suffered at the hand of Donald “grab-them-by-the-pussy” Trump. Yet, a small group of New-York based Haitians had posted the writing on the wall, several months ago. The Haitians took their warning straight to Hillary Clinton’s headquarters in Manhattan. Unfortunately, few American citizens, from a population of 325 million, ever heard or saw – let alone welcomed – the prophetic message of KOMOKODA (the Committee to Mobilize Against Dictatorship in Haiti).

Had U.S. Democrats listened to KOMOKODA, they would have known long ago how election fixing (as happened in favour of Clinton and against Bernie Sanders) is a particular expertise of the Clinton clan. Ironically, in Haiti, Bill and Hillary Clinton’s electoral cheating was applied in favour of Michel “Sweet Micky” Martelly, a Caribbean-style Trump-like character who is infamous for his trademark “balls-grabbing” gestures. Below are some highlights on this peculiar Clinton-Trump/Martelly-Haiti story.

# Haiti's Case Against Bill & Hillary Clinton & their Degenerate Crackhead Martelly

The degenerate Martelly doing the only thing he really knows how to do

-While Bill & Hillary Clinton have been sold to the world as friends of Haiti because they accidentally spent their honeymoon there, the record, as you will see, is completely different.

-In 2008 the UN names Bill Clinton UN Special Envoy to Haiti with the job of "mobilizing international support for Haiti's economic recovery and reconstruction" In fact his actual job is to camouflage the bloody, cholera plagued US-UN occupation in Haiti and to divert attention away from UN killings and rapes of Haitians.

-At this time, his wife Hillary is the Secretary of State of the US and together they will be collaborating to achieve a common goal of the US, the UN and the other so called friends of Haiti. They want to implement what is known as the "Collier Development Plan" which is merely another anti-humanity ploy to wrest whatever little sovereignty remains to Haitians by taking productive land away from the peasants to build low "slave" wage factory jobs and tourist resorts.

-When the tragedy of the earthquake hits in January 2010, they used this as a perfect occasion to further their macabre plan. Since the "rulers of the world" push the lie that non-white leaders are irresponsible and corrupt, our "friends" determine that the Haiti earthquake relief money will be too much for Haitians to manage. Once again our dear benefactor and savior Bill Clinton is named head of this relief fund. Of the \$13 billion pledged, we are told about \$6 billion was actually received. Less than 1% of this amount made it to the Haitian Government. Bill Clinton had total control of the balance.

-To cover up Bill's recovery fund corruption and Hillary's USAID corruption, they dredges up the degenerate, self-avowed crackhead Michel "Sweet Micky" Martelly that they force down our throats as President of Haiti. Hillary actually travels to Haiti during the elections threatening to cut off US aid and to cancel US visas of Haitian officials and their families if Martelly is eliminated in the 1st round of the elections. It would only be such a character who would help them with their cover up while lining his own pockets and that of his cronies.

-Martelly's illegitimate administration (he got ~700,000 votes in a country of 12 million!) has been plagued with political assassinations, arrests of opponents and detentions without trial; gassing of peaceful demonstrators; widespread and unprecedented corruption.

Today, the Haitian people all over the country are up in arms to remove Martelly and his cronies from power and to denounce his international bosses. We vow to march on in the path of our ancestors. We call on you join us.

Since KOMOKODA published the above track many years ago, there has been several investigative reports and Wikileaks which confirm their assertion that Hillary Clinton intervened personally in the 2010-11 Haitian elections to rig them in favour of Michel "Sweet Micky" Martelly. The latter went on to steal millions of dollars to enrich himself and his family over a five year presidency marked by scandalous debauchery by Haiti's morally-repugnant 1%, while the Black majority continues to die whenever it rains on their environmentally-vulnerable third of island.

The Clintons profess great love for Martelly and it is reciprocal as, among other gifts, Martelly offered a very lucrative, once-in-a-century Haitian [gold mining deal to Tony Rodham \(Hillary's brother\)](#) and his company CVS Mining.

Martelly who, while acting as "President of Haiti", once yelled to a woman in the audience that she ought to join him "in the back bush, so he may do her", was heralded by Bill Clinton as "Haiti's most articulate leader of the past 30 years". Slick Bill, apparently, has a very peculiar sense of humour. But, Haitians do not often laugh at his sick jokes.

Today, as Americans are trying to awake from the November 8, 2016 shock, many who are bemoaning the arrival of Trump and Melania to the White House may still not realize how

lucky they, in fact, are. So, once again, rather than inviting our brothers and sisters to consult “Jesus” or to summon the spirit of Eleanor Roosevelt we, Haitians, do encourage all Americans to courageously seek the answers to their questions in real life.

Dear neighbours, as bad as it is, your situation is still better than what it could have been.

1. You had the luxury of electing your own bigoted, misogynist dictator. No foreign powers imposed him on you. He is yours, all yours. To do with, as you so please.
2. You were fortunate to have uncovered the corruption that plagues the Democratic Party which rigged the elections in favor of the Clinton clan. Therefore, if you have the will and the courage to do so, you have here a perfect opportunity to discipline the guilty, abandon the 2 party oligarchy’s sham and adopt real democracy.
3. Trump, unlike Haiti’s Sweet Micky, is already filthy rich before taking office. And, your beloved country can easily survive several days of rainfall at a time.

So, do not despair. Let the spirit of Eleanor Roosevelt rest in peace. However, as the *Esquelito* character in *Nacho Libre* might have said in such circumstances: “*I believe in science*”. Although superstition is never the answer, there are natural laws of the universe such as “*the evil you wish for mother-in-law shall surely strike your own mother*”. \*

“*malè ou swete bèlmè, se manman ou li frape*” – Haitian wisdom – from the same family of laws of science as “*what goes around comes around*”, “*karma’s gonna get ya*” etc...

*M pa ka ri...pa kwè m ri...lè m ri ou wè dan m, ou pa wè anndan m"*
