The statement held at Güney Kampüs (South Campus) demanded the release of Esra Mungan, Kivanç Ersoy, and Muzaffer Kaya.

The statement read by Assoc. Prof. Dr. Aybrek Korugan from Department of Industrial Engineering on behalf of academic member reads as follows:

“An academic member arrested for first time in BOUN’s history”

“For the first time in its history, an academic member of Boğaziçi University has been arrested. Esra Mungan has been charged with ‘propagandizing for terror organization’. We find this accusation unacceptable. Prison is not where our colleague Esra Mungan should be, it is the university she should be in where she has been lecturing for 15 years.

“We as Boğaziçi University have always taken sacredness of human life as basis and opposed all sorts of violence. None of our academic members said things or acted in a way to promote terror, and they never will.

“Our university with its students, academic members, and graduates have always stood against any step taken against democracy. Freedom of thought and expression constitutes the main body of this stand”.

“Climate of violence can be most eliminated in environment of free discussion”

“There cannot be a university at where there is no freedom of thought and expression. Lectures cannot be given, researches cannot be done, scientific development halts. Climate of violence and terror can be most effectively eliminated in environment of free discussion.

“Esra Mungan and our other colleagues, Muzaffer Kaya, Kivanç Ersoy arrested along with her, Meral Camcı on whom warrant has been issued, and Chris Stephenson departed have practiced their freedom of expression under constitutional guarantee.

“We demand our colleagues to be released immediately so they can come together with their students again”. (BK/TK)
