Global Research Publishers has launched Professor Tim Anderson's timely and important book on Syria.

[The E-book is available for purchase from Global Research](#)

Reviews:

*Tim Anderson has written the best systematic critique of western fabrications justifying the war against the Assad government.*

*No other text brings together all the major accusations and their effective refutation.*

*This text is essential reading for all peace and justice activists. -James Petras, Author and Bartle Professor (Emeritus) of Sociology at Binghamton University, New York, Research Associate of the Centre for Research on Globalization.*

*Tim Anderson's important new book, titled "The Dirty War on Syria" discusses US naked aggression - "rely(ing) on a level of mass disinformation not seen in living memory," he explains.*

*ISIS is the pretext for endless war without mercy, Assad the target, regime change the objective, wanting pro-Western puppet governance replacing Syrian sovereign independence.*

*There's nothing civil about war in Syria, raped by US imperialism, partnered with rogue allies. Anderson's book is essential reading to understand what's going on. -Stephen Lendman, Distinguished Author and Research Associate of the Centre for Research on Globalization (CRG), Host of the Progressive Radio News Hour on the Progressive Radio Network.*

*Professor Anderson demonstrates unequivocally through carefully documented research that America's « Moderate Opposition » are bona fide Al Qaeda affiliated terrorists created and protected by the US and its allies, recruited and trained by Saudi Arabia, Turkey, in liaison with Washington and Brussels.*

*Through careful analysis, professor Anderson reveals the « unspoken truth »: the « war on*

*terrorism » is fake, the United States is a « State sponsor of terrorism » involved in a criminal undertaking.* Michel Chossudovsky, Director of the Centre for Research on Globalization, Professor of Economics (Emeritus), University of Ottawa.

Synopsis:

The Dirty War on Syria has relied on a level of mass disinformation not seen in living memory. In seeking 'regime change' the big powers sought to hide their hand, using proxy armies of 'Islamists', demonising the Syrian Government and constantly accusing it of atrocities. In this way Syrian President Bashar al Assad, a mild-mannered eye doctor, became the new evil in the world.

The popular myths of this dirty war – that it is a 'civil war', a 'popular revolt' or a sectarian conflict – hide a murderous spree of 'regime change' across the region. The attack on Syria was a necessary consequence of Washington's ambition, stated openly in 2006, to create a 'New Middle East'. After the destruction of Afghanistan, Iraq and Libya, Syria was next in line.

Five years into this war the evidence is quite clear and must be set out in detail. The terrible massacres were mostly committed by the western backed jihadists, then blamed on the Syrian Army. The western media and many western NGOs parroted the official line. Their sources were almost invariably those allied to the 'jihadists'. Contrary to the myth that the big powers now have their own 'war on terror', those same powers have backed every single anti-government armed group in Syria, 'terrorists' in any other context, adding thousands of 'jihadis' from dozens of countries.

Yet in Syria this dirty war has confronted a disciplined national army which did not disintegrate along sectarian lines. Despite terrible destruction and loss of life, Syria has survived, deepening its alliance with Russia, Iran, the Lebanese Resistance, the secular Palestinians and, more recently, with Iraq. The tide has turned against Washington, and that will have implications beyond Syria.

As western peoples we have been particularly deceived by this dirty war, reverting to our worst traditions of intervention, racial prejudice and poor reflection on our own histories. This book tries to tell its story while rescuing some of the better western traditions: the use of reason, ethical principle and the search for independent evidence.

<h2>The Dirty War on Syria</h2>	
<p>Washington and its allies try another 'regime change', in Syria. A fake 'revolution' uses Islamist gangs, during an 'Arab Spring'. The western media constantly lies about this covert, dirty war.</p>	
<p><small>FSA terrorists throwing post office workers off a building in Aleppo</small>  </p>	<p>A political reform movement is driven off the streets by Islamist violence. 'Free Syrian Army' slaughters minorities and government workers.</p>
<p>Saudi and Qatari backed Islamists carry out a series of massacres, falsely blaming them on the Syrian Army and President Assad.</p>	
	<p>Most of Syria's opposition backs the state and army against terrorism. Washington calls a puppet exile group 'the Syrian opposition'.</p>
<p>Washington (using Saudis, Qatar, Turkey, Israel) backs all the armed Islamist groups, pretending some are 'moderate rebels'.</p>	 <small>3,000 FSA Fighters Defect to ISIS in the Qalamoun Mountains</small>
	<p>A resistance coalition rallies to Syria. Iran, Hezbollah, Iraq and Russia join the Syrian Army in destroying western backed terrorist groups.</p>
